“All the Buzz” Salon Safe Reopening Plan & Guidelines

Effective, Monday, June 22, 2020: We are excited to re-open the salon! We will be screening each stylist daily at Reception. **All residents and staff must wear a mask at all times.** A hand sanitizer station will be available outside of the salon.

To comply with social-distancing requirements and to avoid people lining up outside the salon, we ask that you not come down for your appointment until your stylist calls you to inform you that they are ready for you.

If you are feeling unwell, have a fever, and/or showing signs/symptoms of COVID-19, do not make an appointment until these symptoms have been gone for at least 72 hours. If you start exhibiting these symptoms before your appointment, call the stylist to cancel and do not reschedule until you have been symptom-free for at least 72 hours.

The salon will be serving residents by appointment only. No walk-in appointments will be available at this time.

Per state guidelines: *All personal service businesses have a general obligation to keep a safe and healthy facility in accordance with state and federal law, and comply with the following COVID-19 worksite-specific safety practices, as outlined in Governor Jay Inslee’s “Stay Home, Stay Healthy” Proclamation 20-25, and in accordance with the Washington State Department of Labor & Industries General Requirements and Prevention Ideas for Workplaces and the Washington State Department of Health Workplace and Employer Resources & Recommendations at <https://www.doh.wa.gov/Coronavirus/workplace>.*

Shop Requirements:

- Only one resident allowed in the salon at a time.
- Only one salon Contractor allowed to work in the shop per shift.
- Universal Source Control (USC) must be worn at all times, by both contractor and resident. This includes facial masks and gloves. Additional personal protective equipment (PPE) may be required, based on the service provided. This would include gloves, gowns, capes, goggles, face shields and facemasks as appropriate or required for the activity being performed.
- Shampoo bowl etiquette to include covering a resident’s face with a towel while shampooing to protect their mouth, nose and eyes.
- Glove changes and handwashing are required before and after each customer.
