COVID-19 Update

Dear Bayview families,

Governor Inslee has announced the extension of the latest state-wide COVID-19 restrictions in response to a surge in infection rates and hospitalizations -- through January 4th. Bayview will continue to follow the Governor's latest recommended guidance. Bayview's current restrictions will be in effect until at least **January 4th or until further notice**.

Outdoor visitation for families with residents in Assisted Living, Memory Care, and Skilled Nursing are still in effect.

Thank you for your unending vigilance in the collective fight against COVID-19. Please don't hesitate to reach out with any questions.

Sincerely,

Joel Smith, Health Services Administrator
