# MEMO

## COVID-19 Update

Dear residents, staff, families, and the greater community,

The Leadership Team became aware of a staff member who tested positive on Tuesday April 26th, 2022. The staff member is a non-clinical staff member who was asymptomatic and had limited contact with other staff and residents. Contact tracing has been completed and secondary testing during contact tracing did not reveal any transmission. The facility is following the current Centers for Disease Control and Prevention's recommendations for quarantine. The employee is resting at home and will be eligible for return on Saturday April 30th, 2022, if the employee remains asymptomatic.

As a follow up from the Intergenerational Child Center (ICC) memo on 04/18, the previous staff exposures have passed and no further transmission has been detected through testing. As a reminder, the Leadership Team has decided to temporarily discontinue Intergenerational Programming until further notice as the King County Rates of Infection (368.8 per 100,000 people – 04/16/22) continue to rise. As usual, the team will monitor the rates to determine when the best time is to reopen intergenerational programming again.

If you have further questions or concerns, please contact the appropriate Team Leader listed below.

Sincerely,

Bayview Leadership Team

Chief Executive Officer	Nancy Weinbeck x3110	206.281.5762	<a href="mailto:nweinbeck@bayviewseattle.org">nweinbeck@bayviewseattle.org</a>
