 - 1 of the 14 staff members work on Assisted Living.
 - 1 of the 14 staff members work in the Intergenerational Children's Center.
 - 4 of the 14 staff members work in non-clinical areas within the community.

The total above reflects all results from Discover Labs from last week, including Thursday, 1/6/22. As we begin a new week, we are calling for renewed commitment in the fight against COVID-19 for all residents and staff. Please utilize our on-site testing on Mondays and Thursdays. Our need for heightened and strict adherence to the core principals of infection control (proper use of facemasks, excellent hand hygiene, etc.) is important now, more than ever.
