

MEMORANDUM

February 27, 2023

From: Leadership Team
To: Residents, staff, families, and visitors
Re: **Mandatory Mask Wearing in Common Areas**

We are hearing of significant Covid-19 outbreaks in other Seattle communities. **Therefore, effective immediately until further notice, Bayview is requiring the use of masks when in common areas and at all times when not eating or drinking.** This applies to all residents, staff, families, and visitors. Source control (masks) together with vaccinations remain the most effective way to control outbreaks of Covid-19.

Please be reminded also that hand-hygiene is very important to prevent all infections. The Department of Health continues to recommend increased hand hygiene as flu and other respiratory illnesses continue in King County.

We care deeply about the wellness of all our residents, staff, and the greater community. Thank you for helping keep Bayview safe and healthy.

Sincerely,
Bayview Leadership Team

Chief Executive Officer	Nancy Weinbeck x3110	206.281.5762	nweinbeck@bayviewseattle.org
Health Services Administrator	Pamela Yeo, NHA x3357	206.281.5747	pyeo@bayviewseattle.org
