Re: **3 Total COVID positive cases**

As of Monday, March 27, 2023, we have a total of **three active positive COVID cases in Independent Living.**

Please remember:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and **stay home** to avoid getting anyone else sick.
- We strongly encourage the use of our onsite twice weekly COVID testing on Mondays and Thursdays to help **mitigate any further exposures.**
- Bayview is still **requiring the use of masks** when in common areas and at all times when not eating or drinking. This applies to all residents, staff, families, and visitors.

If you have further questions or concerns, please contact the appropriate team leader listed below.

Sincerely,
Bayview Leadership Team
