**Re:** **3 COVID positive cases**

As of the writing of this memo on Friday, April 21, 2023, we have a total of three COVID positive cases in the building. The following breakdown is as follows:

- 1 resident in Independent Living
- 2 residents in Assisted Living

### **A few reminders:**

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.

If you have further questions or concerns, please contact the appropriate team leader listed below.
