From: Leadership Team
To: Residents, staff, families, and visitors
Re: **5 COVID positive cases**

As of the writing of this memo on Tuesday, August 15, 2023, we have a total of five COVID positive cases in the building. The following breakdown is as follows:

- 1 resident in Assisted Living
- 2 residents in Memory Care
- 2 residents in Independent Living

A few reminders:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Visitation to Assisted Living and Memory Care is discouraged at this time. If you do visit, keep your mask on even inside resident apartments.
- Masks are required for visits to Skilled Nursing, Assisted Living, and Memory Care.

If you have further questions or concerns, please contact the appropriate team leader listed below.

Sincerely,
Bayview Leadership Team
