

MEMORANDUM

December 21, 2023

From: Bayview Leadership Team
To: Residents, staff, families, and visitors
Re: **Two (2) COVID positive cases**

As of the writing of this memo on Thursday, December 21, 2023, we have a total of two (2) COVID positive cases in the building. The following breakdown is as follows:

Two (2) residents in Skilled Nursing & Rehab

Because it is clear that COVID has been in our community, we encourage optional use of masks in public settings and lots of hand washing.

If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.

We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.

Masks are required for visits to Skilled Nursing, Assisted Living, and Memory Care.

If you have further questions or concerns, please contact the appropriate team leader listed below.

Sincerely,
Bayview Leadership Team
