From: Bayview Leadership Team
To: Residents, staff, families, and visitors
Re: **Four (4) COVID positive cases**

As of the writing of this memo on Tuesday, January 2, 2024, we have a total of four (4) COVID positive cases in the building. The following breakdown is as follows:

- One (1) resident in Skilled Nursing & Rehab
- Three (3) residents in Independent Living

A few reminders:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Masks are required for visits to Skilled Nursing, Assisted Living, & Memory Care.

If you have further questions or concerns, please contact the appropriate team leader listed below.

Sincerely,
Bayview Leadership Team
