Re: **Three (3) COVID positive cases**

As of the writing of this memo, we have three (3) COVID positive cases in the building:

- Three (3) cases in Independent Living

A few reminders:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Visitation to Assisted Living and Memory Care is discouraged at this time. If you do visit, keep your mask on even inside resident apartments.
- Masks are required for visits to all areas of Assisted Living and Memory Care.
