Re: **Four (4) COVID positive cases**

As of the writing of this memo, we have a total of three (4) COVID positive cases in the building. The breakdown is as follows:

- 1 resident in Assisted Living
- 3 residents in Independent Living

A few reminders:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Staff in dining services, Assisted Living and Memory Care will be wearing masks.
- **Masks are required for visitors to Assisted Living and Memory Care.**
