MEMORANDUM

August 19, 2024

From: Pamela Yeo, Health Services Administrator
To: Residents, staff, families, and visitors
Re: **7 COVID positive cases**

As of the writing of this memo, we have a total of seven (7) COVID positive cases in the building. The breakdown is as follows:

- 7 residents in Assisted Living – mainly on the second floor.

A few reminders:

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Staff in assisted living and memory care will be donning masks.
- **Masks are required for visitors to Assisted Living and Memory Care.**

If you have further questions or concerns, please contact the appropriate team leader listed below.
