

MEMORANDUM

August 22, 2024

From: Bayview Leadership Team
To: Residents, staff, families, and visitors
Re: **Mask Policy**

As of the writing of this memo, we have a total of fourteen (14) COVID positive cases in the building. The breakdown is as follows:

- Fourteen (14) residents in Assisted Living and Memory Care.

As a result of this COVID outbreak and in the interest of doing what we can to minimize exposure as a community, we are making the following changes to our masking policy, effective immediately:

1. Masks are required for all Bayview Staff.
2. Masks are required for all visitors, including Independent Living residents, when visiting Assisted Living and Memory Care.
3. We encourage our Independent Residents to use masks in public areas.

If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.

We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID on your own.

If you have further questions or concerns, please contact us.
